

CAREERS

Lateral Attorneys

Due to our continued commitment to providing clients with the highest quality legal representation, Olshan seeks to locate and hire the best available legal talent.

We pride ourselves on our congenial, productive and cooperative environment which fosters business origination and cross-selling opportunities. We provide our attorneys with appropriate incentives to encourage them to immerse themselves in the work of the firm while supporting their efforts to originate business and develop their practices.

At Olshan, we are always happy and prepared to consider adding new teammates to our firm, whether to augment our existing practice areas or to expand into new ones. Therefore, if you are interested in applying for a position at Olshan, please contact the Director of Administration, Heather Rutner at hрутner@olshanlaw.com.
