

Managing your company's rights within social media while understanding the common drawbacks that could affect your business

EVENT | 11.15.2017

Olshan Intellectual Property Law attorneys Mary Grieco will be presenting a Lorman Education Services's webinar entitled "*Managing your company's rights within social media while understanding the common drawbacks that could affect your business*" to be held on November 15, 2017. The webinar is designed to help attorneys understand and advise clients on how to protect their own rights in the social media environment and to avoid some of the common pitfalls when using social media. Registration for the webinar can be accessed [here](#).
