

Lustigman Discusses COPPA Ramifications in Inside Counsel

FIRM NEWS | 11.25.2014

Partner Andrew Lustigman authored the article "Even grown-up apps need to think about children's privacy," published by Inside Counsel. The article explains the Children's Online Privacy Protection Act (COPPA) and describes two recent FTC actions that serve as a strong reminder to businesses that they need to ensure compliance with children's privacy issues, even if they do not view their businesses as child-oriented.
