

Can online reviews provide substantiation for superiority claims?

ARTICLE | 11.11.2014

Andrew B. Lustigman and Howard J. Smith

Inside Counsel

Andrew Lustigman and Howard Smith authored the article "Can online reviews provide substantiation for superiority claims?," published by Inside Counsel. The article explains how marketers can use positive online feedback from consumers but need to be careful that any repurposing of the data is not overstated and otherwise meets with the reliability and representativeness standards applicable to traditional advertising.
